Product Availability

We work very hard to ensure that we have the right products in stock when you order from Orion Telescopes & Binoculars. Occasionally, demand may run higher than we forecast, a supplier may be late in shipping product to us, or there may be another reason that causes us to be out-of-stock. We apologize in advance if this should happen. Products in stock ordered by 1pm ET will ship the same day. If the product is out-of-stock, we will post an expected ship date on our website. Backorders typically ship within 30 days. Sale prices are limited to stock on hand. Sale products are limited to two units per customer. Supplies may be limited.

Mailing List & Duplicate Catalogs

We occasionally make our mailing list available to carefully screened companies whose products or services may be of interest to you. If you do not wish to receive such mailings, please let us know. If you have received duplicate or unwanted Orion catalogs, please call us at (800) 447-1001 so we can correct our mailing list.

Money-Back Guarantee & Return Policy

We stand behind our products and services. If for any reason, you are not completely satisfied with your purchase from Orion Telescopes & Binoculars, just return the item(s) in new condition within 30 days after delivery for a prompt refund, less shipping and handling charges. No restocking charges, no hassles! Exclusions may apply for software. Return labels and details for use are available online at www.Telescope.com/returns.

Price Guarantee

Should we lower the price of the product you purchased, you may call (800) 447-1001 within 30 days of delivery date to request a credit for the difference between the price you paid and the current Orion Telescopes & Binoculars selling price found at www.OrionTelescopes.com. We are happy to assist you.

Telephone Monitoring

Providing quality customer service is important to us. As part of our training and evaluation program, incoming telephone calls may be monitored or recorded by supervisory personnel.

Oklahoma Tax Information

Orion Telescopes & Binoculars is not obligated, and does not, collect Oklahoma sales tax. Purchases shipped to Oklahoma are subject to Oklahoma sales tax unless they are specifically exempt from taxation. A purchase is not exempt merely because it is made over the Internet, catalog, or by other remote means. The State of Oklahoma requires Oklahoma purchasers report all purchases that were not taxed and pay tax. The tax may be reported and paid on the Oklahoma individual income tax return [Form 511] or by filing a consumer use tax return [Form 21-1].
